HUDDERSFIELD GRAMMAR SCHOOL

HUDDERSFIELD GRAMMAR SCHOOL

SCHOLARSHIPS & AWARDS

The award of all scholarships will be dependant on candidates achieving an appropriately high standard of performance in the Entrance Examination papers, appropriate references as required, and the candidate's performance at the scholarship interview with senior members of staff. Scholarships are awarded at the start of Year 7.

The Grammarian Scholarship:
This award is limited to pupils already in full-time attendance in the Preparatory School at HGS at the time of the examination. The Grammarian gives up to 50% remission of tuition costs.

The Malcolm Lee Scholarship:
The open academic scholarship award contributes a maximum of 25% remission of tuition costs. This is open to all scholarship candidates.

Scholarships are provided in recognition of outstanding performance and a demonstration of exceptional ability, be that in the field of academia, the arts or sport. These are conditional upon a pupil maintaining a high standard of performance and a commitment to contribute fully to school life at HGS.

The Headmaster may choose to award a number of scholarships should the performance of the candidates in the Scholarship Examinations justify such action.

The Headmaster may also award a Scholarship in recognition of outstanding performance in the Scholarship Examinations by a student residing in the locality.

Scholarships will be reviewed annually. The School reserves the right to withdraw a Scholarship if a pupil fails to maintain the standard of excellence on which the award was based, fails to make a satisfactory contribution to school life, or for any other significant reason, such as a major disciplinary offence being committed by the pupil.

Huddersfield Grammar School 'Exhibition Awards'.

The Headmaster may also make a specific 'Exhibition Award' in recognition of Scholarship performance and achievement to individual pupils that the school is not able to award a full scholarship. The maximum Award will be £1,200, one third of which will be deducted from the school fees in each term of the first year of Senior School. In exceptional circumstances, the Exhibition Award may be converted to a scholarship at the Headmaster's discretion.
